

**NOTICE OF OPEN-HOUSE PUBLIC HEARING
ON IMPROVEMENTS TO THE HISTORIC MIAMI BRIDGE
ON ROUTE 41 IN CARROLL COUNTY**

Notice is hereby given to all interested persons that a public hearing will be held by the Missouri Department of Transportation (MoDOT) on Wednesday, April 23 between the hours of 4:00 P.M. and 7:00 P.M. Central Daylight Time. The hearing will be held at the Brunswick R-II School's multi-purpose room located at 1008 County Road in Brunswick.

The hearing is being held to provide information on a proposed project for improvements to the Historic Miami Bridge. During the hearing, an open-house format will be used, and MoDOT personnel will be available to discuss the project.

Information sheets, drawings, and other detailed information prepared by the Missouri Department of Transportation will be available for viewing during the meeting.

Accommodations are available for disabled persons requiring an accessible format for the meeting. Any person requiring special accommodations should call the District 2 Customer Service Center toll free at 1-888-ASK-MoDOT (275-6636), or TDD (telecommunication devices for the deaf) 1-800-735-2966, at least five working days prior to the public meeting so that arrangements for those services can be made.

For more information on the project visit www.modot.org/northcentral.
